To whom it may concern

The armed aggression of the Russian Federation accompanied by numerous atrocities, acts of barbarism and wanton destruction committed by the Russian Federation has acutely necessitated external assistance, including humanitarian and charitable aid to the population of Ukraine.

Therefore, the Ministry of Infrastructure of Ukraine is very grateful to FUNDACJA RAZEM DAMY RADEŃ - DO IT TOGETHER (Poland), founded for the operation of SAVING LIVES HUMANITARIAN PROJECT, that it has been proactive in such assistance. FUNDACJA has been shipping food, medicine and items of first necessity for the distribution in Ukraine. FUNDACJA is financing the purchase of the aid as well as providing all the subsidiary support: logistics, formalities, customs, regulatory compliance, distribution, etc. The supplies of food and medicine delivered by railways are already saving lives in the Donetsk Region, Luhansk Region, Zaporizhzhia Region and Dnipropetrovsk Region of Ukraine.

To facilitate the latter, especially with regard to the regions of greatest destruction, loss of life and human suffering, the Ministry is actively cooperating with FUNDACJA and, to the extent permitted by Ukrainian laws and regulations, is ready to support FUNDACJA with organization, coordination and information.

Respectfully

Deputy Minister
